Any form of discrimination or harassment can be devastating to an individual's academic progress, social relationship and/or personal sense of self-worth.

As such, the Board does not discriminate on the basis of race, color, national origin, sex (including sexual orientation or transgender identity), disability, age (except as authorized by law), religion, military status, ancestry or genetic information in its educational programs or activities and will not permit discrimination in any of these categories from its Educational Service Provider.

The Board also does not discriminate in its employment policies and practices as they relate to students, and does not tolerate harassment of any kind.

The Board will not permit discrimination of the employment practices of its Educational Service Provider as they relate to students, and will not tolerate harassment of any kind.

Equal educational opportunities shall be available to all students, without regard to the Protected Classes, age (unless age is a factor necessary to the normal operation or the achievement of any legitimate objective of the program/activity), place of residence within the boundaries of the Academy, or social or economic background, to learn through the curriculum offered in the Academy. Educational programs shall be designed to meet the varying needs of all students.

In order to achieve the aforesaid goal, the Educational Service Provider shall:

A. Curriculum Content

review current and proposed courses of study and textbooks to detect any bias based on any legally protected interest; ascertaining whether or not supplemental materials, singly or taken as a whole, fairly depict the contribution of both genders, various races, ethnic groups, etc. toward the development of human society;

B. Staff Training

develop an ongoing program of in-service training for school personnel designed to identify and solve problems of any legally protected interest–or other bias in all aspects of the program;

C. Student Access

review current and proposed programs, activities, facilities, and practices to ensure that all students have equal access thereto and are not segregated on the basis of any legally protected interest in any duty, work, play, classroom, or school practice, except as may be permitted under State regulations;

Verify that facilities are made available, in accordance with Board Policy 7510 - Use of District Facilities, for non-curricular student activities that are initiated by parents/guardians or other members of the community, including but not limited to any group affiliated with the Boy Scouts of America or any other youth group listed in Title 36 of the United States Code as a patriotic society.

This language does not prohibit the Academy from establishing and maintaining a single-gender school, class, or program within a school if a comparable school, class, or program is made available to students of each gender.

D. Academy Support

Verify that like aspects of the entire Academy program receive like support as to staff size and compensation, purchase and maintenance of facilities and equipment, access to such facilities and equipment, and related matters.

E. Student Evaluation

Verify that tests, procedures, or guidance and counseling materials, which are designed to evaluate student progress, rate aptitudes, analyze personality, or in any manner establish or tend to establish a category by which a student may be judged, are not differentiated or stereotyped on the basis of Protected Classes.

Compliance Officer

The Board designates the following individual to serve as the Academy’s 504 Compliance Officer/ADA Coordinator (hereinafter referred to as the “Academy Compliance Officer”).

Director of Compliance
7877 Stead
Utica, Michigan 48317
(586) 731-5300

The name, title, and contact information of this individual will be published annually:

A. in the staff handbooks

The Academy will accommodate the use of certified service animals when there is an established need for such supportive aid in the school environment. Certain restrictions may

be applied when necessary due to allergies, health, safety, disability or other issues of those in the classroom or school environment. The goal shall be to provide all students with the same access and participation opportunities provided to other students in school. Confirmation of disability, need for a service animal to access the school programming, and current certification/training of the service animal may be required.

The CO is responsible for coordinating the Academy's efforts to comply with applicable Federal and State laws and regulations, including the Academy's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, retaliation or denial of equal access. The CO shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendment Act of 1972, Section 504 of the Rehabilitation Act of 1973 (as amended), and the Age Discrimination Act of 1975 is provided to students, their parents, staff members, and the general public. A copy of each of the Acts and regulations on which this notice is based may be found in the CO's office.

The Educational Service Provider shall annually attempt to identify children with disabilities, ages 0-25, who do not receive a public education.

In addition, s/he shall establish procedures to identify students who are Limited English Proficient (LEP), including immigrant children and youth, to assess their ability to participate in Academy programs, and develop and administer a program that meets the English language and academic needs of these students. This program shall include procedures for student placement, services, evaluation and exit guidelines and shall be designed to provide students with effective instruction that leads to academic achievement and timely acquisition of proficiency in English. As a part of this program, the Academy will evaluate the progress of students in achieving English language proficiency in the areas of listening, speaking, reading and writing, on an annual basis (also see Policy 2225).

Reports and Complaints of Unlawful Discrimination and Retaliation

Students and all other members of the Academy community and third parties are encouraged to promptly report incidents of unlawful discrimination and/or retaliation to a teacher, administrator, supervisor, or other Academy official so that the Board may address the conduct. Any teacher, administrator, supervisor, or other Academy employee or official who receives such a complaint shall file it with the CO within two (2) school days.

Members of the Academy community, which includes students or third parties, who believe they have been unlawfully discriminated/retaliated against are entitled to utilize the complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the complaining individual's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior and/or harassment in accordance with Policy 5517.01 – Bullying and Other Forms of Aggressive Behavior, the School Leader believes that the reported misconduct may constitute unlawful discrimination based on a Protected Class, the School Leader shall report the act to one of the COs who shall investigate the allegation in accordance with this policy. While the CO investigates the allegation, the School Leader shall suspend his/her Policy 5517.01 investigation to await the CO's written report. The CO shall keep the School Leader informed of the status of the Policy 2260 investigation and provide him/her with a copy of the resulting written report.

The COs will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. COs shall accept complaints of unlawful discrimination/retaliation directly from any member of the Academy community or a visitor to the Academy, or receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a CO will begin either an informal or formal process (depending on the request of the person alleging the discrimination/retaliation or the nature of the alleged discrimination/retaliation), or the CO will designate a specific individual to conduct such a process. The CO will provide a copy of this policy to any person who files a complaint. In the case of a formal complaint, the CO will prepare recommendations for the Educational Service Provider or oversee the preparation of such recommendations by a designee. All members of the Academy community must report incidents of discrimination/retaliation that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Board employee who directly observes unlawful discrimination/retaliation of a student is obligated, in accordance with this policy, to report such observations to one of the COs within two (2) business days. Additionally, any Board employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO or designee must contact the student, if age eighteen (18) or older, or the student's parents/guardians if the student is under the age eighteen (18), within two (2) school days to advise s/he/them of the Board's intent to investigate the alleged wrongdoing.

Investigation and Complaint Procedure

Any student who believes that s/he has been subjected to unlawful discrimination or retaliation may seek resolution of his/her complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of a student to pursue a complaint of unlawful discrimination or retaliation with the United States Department of Education Office for Civil Rights ("OCR"). The Cleveland Office of the OCR can be reached at 1350 Euclid Avenue, Suite 325, Cleveland, Ohio 44115; Telephone: (216) 522-4970; Fax: (216) 522-2573; TDD: (216) 522-4944; E-mail: ocr.cleveland@ed.gov; Web: <http://www.ed.gov/ocr>.

Informal Complaint Procedure

The goal of the informal complaint procedure is to quickly stop inappropriate behavior and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student who believes s/he has been unlawfully discriminated or retaliated against. This informal procedure is not required as a precursor to the filing of a formal complaint.

The informal process is only available in those circumstances where the parties (the alleged target of the discrimination and individual(s) alleged to have engaged in the discrimination) agree to participate in it.

Students who believe that they have been unlawfully discriminated/retaliated against may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving an Academy employee or any other adult member of the Academy community against a student will be formally investigated.

As an initial course of action, if a student feels that s/he is being unlawfully discriminated/retaliated against and s/he is able and feels safe doing so, the individual should tell or otherwise inform the person who engaged in the allegedly discriminatory/retaliatory conduct that it is inappropriate and must stop. The complaining individual should address the alleged misconduct as soon after it occurs as possible. The COs are available to support and counsel individuals when taking this initial step or to intervene on behalf of the individual if requested to do so. An individual who is uncomfortable or unwilling to inform the person who allegedly engaged in the unlawful conduct of his/her concerns is not prohibited from otherwise filing an informal or a formal complaint. In addition, with regard to certain types of unlawful discrimination, such as sexual discrimination, the CO may advise against the use of the informal complaint process.

A student who believes s/he has been unlawfully discriminated/retaliated against may make an informal complaint, either orally or in writing: (1) to a teacher, other employee, or building administrator in the school the student attends; (2) to the Educational Service Provider or other Academy-level employee; and/or (3) directly to one of the COs.

All informal complaints must be reported to one of the COs who will either facilitate an informal resolution as described below, or appoint another individual to facilitate an informal resolution.

The Academy's informal complaint procedure is designed to provide students who believe they are being unlawfully discriminated/retaliated against with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the wishes of the student claiming unlawful discrimination/retaliation, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the student about how to communicate his/her concerns to the person who allegedly engaged in the discriminatory/retaliatory behavior.
- B. Distributing a copy of Policy 2260 – Non-Discrimination as a reminder to the individuals in the school building or office where the individual whose behavior is being questioned works or attends.
- C. If both parties agree, the CO may arrange and facilitate a meeting between the student claiming discrimination/retaliation and the individual accused of engaging in the misconduct to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee will exercise his/her authority to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. Parties who are dissatisfied with the results of the informal complaint process may proceed to file a formal

complaint. And, as stated above, parties may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one (1) of the parties requested that the informal complaint process be terminated to move to the formal complaint process, or if the student elects to file a formal complaint initially, the formal complaint process shall be implemented.

A student who believes s/he has been subjected to unlawful discrimination/retaliation (hereinafter referred to as the "Complainant") may file a formal complaint, either orally or in writing, with a teacher, School Leader, or other employee at the student's school, the CO, Educational Service Provider, or another employee who works at another school or at the Academy level. Due to the sensitivity surrounding complaints of unlawful discrimination, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs. If a Complainant informs a teacher, School Leader, or other employee at the student's school, Educational Service Provider, or other employee, either orally or in writing, about any complaint of discrimination/retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be engaging in; the discriminatory/retaliatory conduct; a detailed description of the facts upon which the complaint is based; a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the person alleged to have engaged in the misconduct. In making such a determination, the CO should consult the Complainant to assess his/her agreement to the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions s/he deems appropriate in consultation with the Educational Service Provider.

Within two (2) business days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation. A School Leader will not conduct an investigation unless directed to do so by the CO.

Simultaneously, the CO will inform the individual alleged to have engaged in the discriminatory or retaliatory conduct (hereinafter referred to as the "Respondent") that a complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines,

including Policy 2260 Nondiscrimination. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO or designee shall prepare and deliver a written report to the Educational Service Provider that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful discrimination/retaliation. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if unlawful discrimination or retaliation occurred, a preponderance of evidence standard will be used. The CO may consult with the Board's legal counsel before finalizing the report to the Educational Service Provider.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or designee, the Educational Service Provider must either issue a final decision regarding whether the charges have been substantiated or request further investigation. A copy of the ESP's final decision will be delivered to both the Complainant and the Respondent.

If the Educational Service Provider requests additional investigation, the Educational Service Provider must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) days. At the conclusion of the additional investigation, the Educational Service Provider shall issue a final written decision as described above.

If the Educational Service Provider determines the Complainant was subjected to unlawful discrimination/retaliation, s/he must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation. The decision of the Educational Service Provider shall be final.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the student alleging the unlawful discrimination/retaliation pursues the complaint. The Board also reserves the right to have the

formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The Complainant may be represented, at his/her own cost, at any of the above described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a Complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The Academy will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. All Complainants proceeding through the formal investigation process will be advised that their identities may be disclosed to the Respondent(s).

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that s/he learns and/or provides during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful discrimination/retaliation by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Educational Service Provider shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the Academy community, all subsequent sanctions imposed by the Board and/or Educational Service Provider shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination, or participates as a witness in an investigation is prohibited. Specifically, the Board will not retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that

individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Educational Service Provider, or designee, shall provide appropriate information to all members of the Academy community related to the implementation of this policy and shall provide training for Academy students and staff where appropriate. All training, as well as all information, provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

The Academy will endeavor to assist the student and/or his/her parents/guardians in their access to Academy programs by providing notices to the parents/guardians and students in a language and format that they are likely to understand.

Materials approved by the State Department of Education describing the benefits of instruction in Braille reading and writing shall be provided to each blind student's individualized planning committee. The Academy shall not deny a student the opportunity for instruction in Braille, reading, and writing solely because the student has some remaining vision.

Retention of Investigatory Records and Materials

All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation, which may include but not be limited to:

- A. all written reports/allegations/complaints/grievances/statements/responses pertaining to an alleged violation of this policy;
- B. any narratives that memorialize oral reports/allegations/complaints/grievances/statements/responses pertaining to an alleged violation of this policy;
- C. any documentation that memorializes the actions taken by Academy personnel related to the investigation and/or the Academy's response to the alleged violation of this policy;
- D. written witness statements;
- E. narratives, notes from, or audio, video, or digital recordings of witness interviews/statements;
- F. e-mails, texts, or social media posts that directly relate to or constitute evidence pertaining to an alleged violation of this policy (i.e., not after-the-fact commentary about or media coverage of the incident);
- G. notes or summaries prepared contemporaneously by the investigator in whatever form made (e.g., handwritten, keyed into a computer or tablet, etc.), but not including transitory notes whose content is otherwise memorialized in other documents;

- H. written disciplinary sanctions issued to students or employees and other documentation that memorializes oral disciplinary sanctions issued to students or employees for violations of this policy;
- I. dated written determinations/reports (including summaries of relevant exculpatory and inculpatory evidence) and other documentation that memorializes oral notifications to the parties concerning the outcome of the investigation, including any consequences imposed as a result of a violation of this policy;
- J. documentation of any interim measures offered and/or provided to complainants and/or the alleged perpetrators, including no contact orders issued to both parties, the dates the no contact orders were issued, and the dates the parties acknowledged receipt of the no contact orders;
- K. documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects;
- L. copies of the Board policy and/or procedures/guidelines used by the Academy to conduct the investigation, and any documents used by the Academy at the time of the alleged violation to communicate the Board's expectations to students and staff with respect to the subject of this policy (e.g., Student and/or Employee Handbooks or Codes of Conduct);
- M. copies of any documentation that memorializes any formal or informal resolutions to the alleged discrimination or harassment;
- N. documentation of any training provided to Academy personnel related to this policy, including but not limited to, notification of the prohibitions and expectations of staff set forth in this policy and the role and responsibility of all Academy personnel involved in enforcing this policy, including their duty to report alleged violations of this policy and/or conducting an investigation of an alleged violation of this policy;

The documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal (e.g., FERPA, ADA) and/or State law (e.g., R.C. 3319.321) – e.g., student records and confidential medical records.

The documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years, but longer if required by the Academy's records retention schedule.

SECTION 504/ADA PROHIBITION AGAINST DISCRIMINATION BASED ON DISABILITY

Reference: 29 USC 794, Section 504 Rehabilitation Act of 1973, as amended
34 C.F.R. Part 104
42 USC 12101 et seq., Americans with Disabilities Act of 1990, as amended

Pursuant to Section 504 of the Rehabilitation Act of 1973 ("Section 504"), the Americans with Disabilities Act of 1990, as amended ("ADA") and the implementing regulations (collectively "Section 504/ADA"), no otherwise qualified individual with a disability shall, solely by reason of his/her disability, be excluded from participation, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. The Board does not discriminate in admission or access to, or participation in, or treatment, in its programs or activities. As such, the Board's policies and practices will not discriminate against students with disabilities, and will make accessible to qualified individuals with disabilities its facilities, programs, and activities. No discrimination will be knowingly permitted against any individual with a disability on the sole basis of that disability in any of the programs, activities, policies, and/or practices in the Academy.

An individual with a disability means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aides and cochlear implants or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, assistive technology, reasonable accommodations or auxiliary aids or services, or learned behavioral or adaptive neurological modifications.

With respect to public preschool, elementary and secondary educational services, a qualified person with a disability means a disabled person:

- A. who is of an age during which nondisabled persons are provided educational services;
- B. who is of any age during which it is mandatory under Michigan law to provide educational services to disabled persons; or
- C. to whom the State is required to provide a free appropriate public education pursuant to the Individuals with Disabilities Education Improvement Act (IDEIA).

With respect to vocational education services, a qualified person with a disability means a disabled person who meets the academic and technical standards requisite to admission or participation in the vocational program or activity.

Compliance Officer

The Board designates the following individual to serve as the Academy's 504 Compliance Officer/ADA Coordinator (hereinafter referred to as the "Compliance Officer").

Director of Compliance
7877 Stead
Utica, Michigan 48317
(586) 731-5300

The name, title, and contact information of this individual will be published annually:

- A. in the staff handbooks

The Compliance Officer is responsible for coordinating the Academy's efforts to comply with and fulfill its responsibilities under Section 504 and Title II of the ADA. A copy of Section 504 and the ADA, including copies of the implementing regulations, may be obtained from the Compliance Officer.

The Compliance Officer will oversee the investigation of any complaints of discrimination based on disability, which may be filed pursuant to the Board's adopted internal complaint procedure, and will attempt to resolve such complaints.

The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. The ESP will further establish and implement a system of procedural safeguards in accordance with Section 504, including the right to an impartial due process hearing. (See AG 2260.01B).

Training

The Compliance Officer will also oversee the training of employees in the Academy so that all employees understand their rights and responsibilities under Section 504 and the ADA, and are informed of the Board's policies, Administrative Procedures and practices with respect to fully implementing and complying with the requirements of Section 504/ADA.

The ESP will provide in-service training and consultation to staff responsible for the education of persons with disabilities, as necessary and appropriate.

Facilities

No qualified person with a disability will, because the Academy's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies.

For facilities constructed or altered after June 3, 1977, the Academy will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the Academy is committed to operating its programs and activities so that they are readily accessible to persons with disabilities. This includes, but is not limited to, providing

accommodations to parents/guardians with disabilities who desire access to their child's educational program or meetings pertinent thereto. Programs and activities will be designed and scheduled so that the location and nature of the facility or area will not deny a student with a disability the opportunity to participate on the same basis as students without disabilities.

Education

The Board is committed to identifying, evaluating, and providing a free appropriate public education (FAPE) to students within its jurisdiction who have a physical or mental impairment that substantially limits one or more major life activities, regardless of the nature or severity of their disabilities.

An appropriate education may include regular or special education and related aids and services to accommodate the unique needs of students with disabilities. For disabled students who are not eligible for specially designed instruction under the IDEIA, the special education and related aids and services (including accommodations/modifications/interventions) they need in order to have their needs met as adequately as the needs of nondisabled students are met, shall be delineated, along with their placement, in a Section 504 Plan (Form 2260.01A F13). Parents/guardians/custodians ("parents") are invited and encouraged to participate fully in the evaluation process and development of a Section 504 Plan.

The Board is committed to educating (or providing for the education of) each qualified person with a disability who is enrolled by the Academy to the maximum extent appropriate. Generally, the Academy will place a person with a disability in the regular educational environment unless it is demonstrated that the education of the person in the regular environment even with the use of supplementary aids and services cannot be achieved satisfactorily. If the Academy places a person in a setting other than the regular educational environment, it shall take into account the proximity of the alternate setting to the person's home.

The Academy will provide non-academic extracurricular services and activities in such a manner as is necessary to afford qualified persons with disabilities an equal opportunity for participation in such services and activities.

Notice

Notice of the Board's policy on nondiscrimination in education practices and the identity of the Compliance Officer will be posted throughout the Academy, and published in the Academy's recruitment statements or general information publications.

The Educational Service Provider shall develop Administrative Procedures for the proper implementation of this policy.

Complaint Procedures

If a person believes that s/he has been discriminated against on the basis of his/her disability, the person may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter.

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), parents/guardians and students will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation or misapplication of

Section 504. In addition, students and their parents/guardians will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights. Finally, students and parents/guardians will be advised of their right to request a due process hearing before an Impartial Hearing Officer (IHO) regarding the identification, evaluation or educational placement of persons with disabilities, and their right to examine relevant education records.

Internal complaints and requests for due process hearings must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint or the request for a hearing, and offer possible solutions to the dispute. The complaint or request for due process hearing must be filed with the Compliance Officer within specified time limits. The Compliance Officer is available to assist individuals in filing a complaint or request.

Internal Complaint Procedures

An internal complaint may be filed by a student and/or parent/guardian. A student and/or parent/guardian may initiate the internal complaint procedure when s/he/they believe that a violation, misapplication or misinterpretation of Section 504 has occurred. Additionally, the following procedure may be used for any disagreement with respect to actions regarding the identification, evaluation, or educational program or placement of students who are identified as disabled or believed to be disabled pursuant to Section 504, and are not eligible under the IDEIA, except in the case of disciplinary actions where the provisions of the Student Code of Conduct apply. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights or requesting a due process hearing.

Step 1 Investigation by the Compliance Officer: A student or parent/guardian may initiate an investigation by filing a written internal complaint with the Compliance Officer. The complaint should fully describe the circumstances giving rise to the dispute and how the child is adversely affected. The complaint must be filed as soon as possible, but not longer than thirty (30) calendar days after disclosure of the facts giving rise to the complaint. The Compliance Officer shall conduct an impartial investigation of the complaint. As part of the investigation, the Compliance Officer shall permit the complainant to present witnesses and other evidence in support of the complaint. The investigation shall be completed within fifteen (15) school days of the written complaint being filed. The Compliance Officer will notify the complainant in writing of his/her decision.

Step 2 If the complaint is not resolved satisfactorily at Step 1, the student or parent/guardian may request a due process hearing, provided the complaint involves an issue related to the identification, evaluation, or placement of the student.

If it is determined that the Complainant was subjected to unlawful discrimination, the Compliance Officer must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

OCR Complaint

At any time, if a student or parent/guardian believes that s/he has been subjected to discrimination based upon his/her disability in violation of Section 504 or the ADA, the

individual may file a complaint with the U.S. Department of Education's Office for Civil Rights ("OCR"). The OCR can be reached at:

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination, or participates as a witness in an investigation, is prohibited. Specifically, the Board will not retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by Section 504 or the ADA, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.

TITLE I SERVICES

Reference: 20 USC 6301 et seq.
34 C.F.R. Part 200, et seq.

The Board elects to augment the educational program of educationally disadvantaged students by the use of Federal funds and in accordance with Title I of the Elementary and Secondary Education Act of 1965, as amended.

The Educational Service Provider shall prepare and present to the State Department of Education a plan for the delivery of services that meets the requirements of the law, including those described below. The plan shall be developed by appropriate staff members and parents/guardians of students who will be served by the plan. The Academy will periodically review and revise the plan, as necessary.

Assessment

The Academy shall annually assess the educational needs of eligible children, as determined by Federal and State criteria. This assessment shall include performance measures mandated by the Department of Education as well as those determined by the Academy's professional staff to assist in the diagnosis, teaching, and learning of the participating students.

Scope

The Academy shall determine if the funds will be used to upgrade the educational program of the entire Academy in Title I Academies that qualify as schoolwide schools and/or to establish or improve programs that provide services only for eligible students in greatest need of assistance. The schoolwide program, for the entire Academy and/or the Targeted Assistance Academy, shall include the components required by law as well as those agreed upon by participating staff and parents/guardians.

Participation

The Title I program shall be developed and evaluated in consultation with parents/guardians and professional staff members, including teachers, School Leaders, paraprofessionals, specialized instructional support personnel, administrators and other appropriate academy personnel involved in its implementation. Appropriate training will be provided to staff members who provide Title I services. Parent/guardian participation shall be in accord with Board Policy 2261.01 and shall meet the requirements of Section 1116 of the Act.

Comparability of Services

Title I funds will be used only to augment, not to replace, State and local funds. The Academy will document its compliance with the supplement not supplant provisions by using a written methodology that ensures State and local funds are allocated to each academy on the same basis, regardless of whether an academy receives Title I funding. The Educational Service Provider shall use State and local funds to provide educational services in schools receiving Title I assistance that, taken as a whole, are at least comparable to services being provided in academies that are not receiving Title I assistance. The determination of the comparability of services may exclude State and local funds expended for language instruction educational

programs and the excess costs of providing services to children with disabilities as determined by the Academy.

The determination of comparability of services will not take into account unpredictable changes in student enrollments or personnel assignments that occur after the beginning of the school year.

To achieve comparability of services, the Educational Service Provider shall assign teachers, administrators, and auxiliary personnel and provide curriculum materials and instructional supplies in such a manner as to ensure equivalence throughout the Academy.

Professional Development

Members of the professional staff may participate in the design and implementation of staff development activities that:

- A. involve parents in the training, when appropriate;
- B. combine and consolidate other available Federal and public school funds;
- C. foster cooperative training with institutions of higher learning and other educational organizations, including other schools;
- D. include in the staff development curriculum the following strategies:
 1. creating and using performance-based student assessments;
 2. using technology in teaching and learning;
 3. working effectively with parents/guardians;
 4. understanding early childhood education;
 5. meeting children's special needs by using differentiated instruction;
 6. fostering gender-equitable education; and
 7. (for paraprofessionals) working toward certification as professional educators.

Parents and family members of children receiving Title I services shall be involved in the decisions regarding how the reserved funds are allotted for parent involvement activities. Reserved funds shall be used to carry out activities and strategies consistent with the Board's parent and family engagement policy (Policy 2111), including at least one (1) of the following:

- F. As a component of the academy-level parent and family engagement policy, the School Leader for each academy shall coordinate the development of a academy-parent compact jointly with parents of children served under Title I which outlines how the academy staff, the parents, and the students will share responsibility for improved student academic achievement and the means by which the academy and parents will build and develop a partnership to help students achieve the State's high standards. The compact must:
 - 1. describe the academy's responsibility to provide a high quality curriculum and instruction in a supportive, effective learning environment;
 - 2. describe the ways in which each parent is responsible for supporting their child's learning environment such as monitoring attendance, homework, extra-curricular activities and excessive television watching; volunteering in the classroom; and participating, as appropriate, in decisions relating to the education of their children and their positive use of extra-curricular time;
