School Update:

C. Black updated the board on the current events at the school. Enrollment is at 700, with an additional 54 attending the TNSV (Virtual School). TNS needs to add another K and 2nd grade room. Students will begin NWEA testing on September 12th so staff can obtain baseline data in math and reading. After school programming has begun with both tutoring and dinner being provided for student athletes and TNS Admin received positive feedback on their New Teacher Orientation and onboarding process this year.

Discussion Items

None.

Action Items

None.

Board Committee Reports/Board Comments D. Thomas- does not want to leave “a stone left unturned” when it comes to students getting students caught up. He expressed the importance of getting students to programming outside of school hours and during the summer. TNS is in need of more parent support both in the building and getting students to school/school functions.
